11th Scientific and Technical Days

INNOVATION AND PARTNERSHIP IN A GLOBAL CONTEXT OF ENERGY TRANSITION

Oran, 19th – 22th November 2017

Integral Text

The integral text may contain no label or logo

It may not exceed **06 pages** and shall be written in the language used for the paper (Arabic, French or English).

"Arial 10" Font shall be used with a simple interline and a 6-point space after paragraph. Paragraphs shall be in a «justified» alignment.

Introduction

The integral text shall contain an introduction presenting the problematic.

Main titles

The main titles shall be bold, underlined and centred.

Secondary titles

The secondary titles shall be bold, underlined and left-aligned.

Mathematical formulae

Do number the mathematical formulae and align the number between brackets on the right margin. a = f[b + c] {1}

Illustrations

Drawings, images and diagrams inserted within a text shall have a good quality.

Every illustration shall be centred with, below, a numbered legend in italic (Figure x: Legend).

Tables

As for the tables content, the same fonts shall be used as for the whole text. Tables shall be centred with, below, a numbered legend in italic (*Table x: Legend*).

Conclusion

The integral text shall be ended with a conclusion.

Bibliographical references

The integral text shall contain bibliographical references.
